***Does the Keep Austin Beautiful initiative have any information on cleaning litter in a COVID environment?***

When picking up litter, Keep Austin Beautiful recommends participants do so responsibly and at their comfort level. Your cleanup group should include only members of your household. Please wear a face mask and use disposable gloves. While picking up litter, be sure to maintain at least 6 feet of distance from others. When you finish collecting litter, please dispose of any single-use face masks and disposable gloves properly by placing them into your trash bag. Make sure your trash bag is securely tied to protect sanitation workers. Please dispose of those trash bags at the nearest HOA dumpster located at the Towne Square, John Simpson, and Bella Mar Parks, or you can choose to use your own trash cart.
